Monthly payment of a fixed sum to Mr. Shanmugam of Sodale Matha

Mem. File No. 23 of 193 4 | General and Revenue Secretariat

D.O.M. 795 dated 1/3/34 from the Municipal Council in Mylapore

Enquiring whether it is not possible to pay the Shanmugam of the Matha a fixed sum monthly over and above the amount of the endowment every year.

From the Chief Secretary to Government D.O.No. 3151-11 dated 4/9/1934 Requesting information on the points mentioned in.

3

1/ The M.C states that it is quite possible to pay a fixed sum of Rs 830 p.m to the Shanmugam Subject to the conditions that overdrawal of the account to a maximum of Rs 10000 is permitted, should the balance at the credit of the Matha be found to be short at any time, and that the Matha should not make any additional demands for special purposes.

2/ Submitted with reference to Dewan's Minute at para 1 supra

3/ The M.C proposes to pay Rs 830/- p.m. to the Matha Seems to be on the assumption that the 10000 rupees balance as shown in his note is required to be given

to the Munsif in monthly equal instalments. The Dewan's Minute at para 1 does not seem to intend the whole amount being given in 12 equal monthly instalments. The monthly grant may perhaps be reduced to Rs 500/- or Rs 600/- and the balance if any out of the Collections paid to the Munsif in a lump at the end of the year, or at any time in the middle of the year if funds shd be available. If any Rs 500/- shd be fixed as the monthly grant, there wd be no question of overdrawal as suggested by the M.E. and further the smaller the monthly grant, the less will be the temptation on the part of the Munsif to spend on a lavish scale.

15/9/34

CHIEF SECRETARY'S 1 SEP. 1934

The monthly grant may be fixed at Rs. 700, the balance upto Rs. 10000 per annum being paid as available. —

14/ I discussed the matter with the Muzrai Commissioner. He agrees with me that the maximum amount of Rs.10,000 need not be paid in monthly instalments, and that in order to meet occasions when the collections may fall short of the estimate, it is necessary to retain a sum of Rs.1,500, and the balance paid in instalments of about Rs.700. If any further amount is found available, it may also be paid at the close of the year. Orders may issue accordingly.

MR. 07/10/24 Ch. Secy)

File No. of 193 General and Revenue Secretariat

Payment to the Swamigalu of the Sri Vyasaraya-swami Matha.

The properties of the Matha situated within the State were taken under Government mahagement under the authority of Government Order No. 731-2/Muz.78-25-4 dated 12-12-1925.

The management of the outside properties which had been assumed by Government (Vide Government Order No. 859-60/Muz.389-28-7 dated 28-10-1929) was restored to the Swamigalu with effect from 1st January 1933 (G.O. No. 736-7/Muz.97-32-4 dated 8-11-1932).

The properties in the State under the management of Government are estimated to yield an income of Rs.15,500/- on the average. Besides, the Matha is endowed with a cash grant of Rs.3,977-12-0. Thus the total income is Rs.19,477-12-0.

Against this provision has to be made for the following obligatory items of expenditure:-

		Rs.
(a)	Payment of cesses and potige	3,000
(b)	Contingent expenses	25
(c)	Contribution to the Muzrai Establishment Fund.	975
(d)	Instalment for payment of loan advanced from the General Muzrai Fund with interest.	3,630
(e)	Reserve @ 12½ per cent.	1,870
	Total	9,500
	Balance	10,000 in round figures.

While sanctioning the above items of expenditure,

expenditure, Government have laid down in their order No. 920-1/Muz.229-32-7 dated 5th January 1934 that only the actual balance left over may be made available to the Swamigalu for expenses in the Matha subject to a maximum of Rs.10,000/-, and that Government do not bind themselves to pay a fixed amount per annum, irrespective of the actual collections or the balance available at a particular time.

In accordance with the above directions, the Swamigalu was paid Rs.10,000/- on the following dates:-

		Rs.	A.	P.
14th August	1933	331	7	8
12th September	1933	331	7	8
9th February	1934	4,500	0	0
12th ~~March~~ May	1934	4,000	0	0
11th July	1934	837	0	0
	Total	9,999	15	4

The Swamigalu wanted an additional sum of Rs.3,500/- to be paid to him for purchasing a camel and towards the expenses incurred for the current year's Mahasamaradhane. This was declined as the payment asked for was not covered by the order of 5th January 1934 and as there was not sufficient cash balance at the credit of the institution.

A sum of Rs.21,486-2-3 is available at the credit of the Matha on this date, i.e., 22nd August 1934. Besides the obligatory items of expenditure which amount to Rs.9,500-0-0 as stated above, a sum of Rs.10,492-0-0 has to be placed at the disposal of the Public Works Department towards the cost of constructing the Matha

Matha building at New Bosale. A sum of Rs.1494-2-3 is therefore available for disbursement to the Matha.

Dear Sir,

Monthly payment to the Swamiji of the Sosale Math.

In reply to your D.O. letter No. [illegible] dated the 3rd instant, I write to say that it is not possible to sanction a fixed sum of Rs.350/- per month to the Swamiji. It is provided that overdrawal of the accounts to the extent of Rs. 400/- is permitted, should a balance be due to the Math be found to be short in any one month or such overdrawal is not sufficient to meet the contingency which has to be provided for in the Math so as to get monthly payments without difficulty. The Accountants will have also to understand that, under the scheme now proposed, they cannot make any additional demand for special purposes.

If Government agree to the overdrawal of the account when necessary, the system of monthly payments will be introduced in further consultation with the Swamiji.
